Masters of CAM Wildest Parts Competition

RELEASE FORM

This must be completed and must accompany your entry part, along with the completed entry form.

I, _____, (entrant's full, printed name) representing my original work, do hereby relinquish all rights to all property, physical and intellectual, submitted to CNC Software, Inc. I understand that my part will be returned to me within one year if pre-arrangements have been made. I give my permission to CNC Software, Inc., to duplicate, sell, publish, and display any part or whole of my submitted entry. I waive all rights to any royalty or payment for CNC Software's use of my work.

Signature

Individual: _____ Date: _____

If less than 18 years old:

Parent or Guardian's name (please print): _____

Parent or Guardian Signature: _____ Date: _____

COMPLETED ENTRIES MUST INCLUDE:

A. Parts

- One finished part, deburred and polished.
- If submitting molds, submit the mold (machined part) and the finished, molded part.

B. Documentation on Electronic Media

- Zip to Go part files with all options checked.
- Picture of entrant(s) with finished part.
- Pictures of the process to create the part from planning to programming to machining and assembly is applicable — including entrant(s) working on part / programming in Mastercam.
- All images must be high resolution and in .jpeg format (about 1MB in size).

C. Typed Description of Part and Project

- Tell us what made you choose to make this particular part. As an individual or as a team, what were the challenges you faced? What did you learn? What is your story? Tell us a little about yourself, too. (For teams, please provide a little background information for each member).
- Include any additional information that speaks to the originality and quality of your part. Provide details that will help convince the judges that your entry is the best.
- Please provide a typed document that is roughly one page in length.

D. Forms

- A completed Masters of CAM Wildest Parts Competition Entry Form must be included for each part submitted.
- A completed and signed Masters of CAM Wildest Parts Competition Release Form must be included with each entry.

E. Proof of Masters of CAM Participation

- Entry must include proof of a Wildest Parts story submission on the Masters of CAM site (www.mastersofcam.com). A photo and video submission must be completed about your part. Include your Story Title and your Masters of CAM Profile Name as proof of submission.

Please double-check to ensure that all items listed above are included with your entry package. Failure to include all items could result in disqualification.

Completed entry form, release form, and appropriate files must be included with your entry.
