TELL YOUR STORY

4 Choose from the four available options to select the Wildest Parts Competition template that matches your entry category.

**Professional** – open to any individual with professional manufacturing experience; instructors are encouraged to enter parts in this division.

**Team** – open to groups of students at any level of education; teams participating in SAE, FIRST Robotics, NASA HUNCH, NRL, etc. are encouraged to enter parts in this division.

*Please note: a submission is required from at least ONE team member to enter the Wildest Parts Competition in the Team Division, but each team member is welcome to submit original content about the process to complete the Wildest Part.*

**Secondary** – open to individual students at a high school level of education.

**Post Secondary** – open to individual students at a college/university level of education.

## 5 Complete your Masters of CAM Wildest Parts story.\* You will need the following to complete your story submission.

### 1. Three images:

- A picture of you for your profile image.
- A picture of your part for your story's thumbnail image.
- A photograph of you/your team with your completed part.

### 2. One video (less than 1GB) of your part being machined. This can be uploaded right from your phone or downloaded onto a PC and then uploaded.

Then click **SUBMIT** and await further instructions.

## Next steps:

A member of our editorial staff will follow up as needed, and we will be in touch to arrange delivery of the Masters of CAM merchandise you will receive for participating.
