_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

COMPLETED ENTRIES MUST INCLUDE:

A. Parts

- One finished part, deburred and polished.
- If submitting molds, submit the mold (machined part) and the finished, molded part.

B. Documentation on Electronic Media

- Zip to Go part files with all options checked.
- Picture of entrant(s) with finished part.
- All images must be high resolution and in .jpg format (about 1MB in size).

C. Typed Description of Part and Project

- Tell us what made you (or your team) choose to make this particular part. As an individual or as a team, what were the challenges you faced? What did you learn? What is your story? Tell us a little about yourself, too. (For teams, please provide a little background information for each member).
- Include any additional information that speaks to the originality and quality of your part. Provide details that will help convince the judges that your entry is the best.

D. Forms

- A completed Mastercam Wildest Parts Competition **Entry Form** must be included for each part submitted.
- A completed and signed Mastercam Wildest Parts Competition **Release Form** must be included with each entry.

Please double-check to ensure that all items listed above are included with your entry package. Failure to provide all items could result in disqualification.

Completed entry form, release form, and appropriate files must be included with your entry.
