## Mastercam Acquires FASTech

Tolland CT – Sandvik announces the acquisition of the business of the American company FASTech, which will be part of Mastercam, the world's leading CAD/CAM software provider. The acquisition has been completed as an asset acquisition. FASTech, Inc., a valued Mastercam channel partner serving customers in Ohio and eastern Kentucky.

This acquisition marks an important milestone in Mastercam's mission to shape the future of manufacturing. For over 30 years, FASTech has been a trusted partner in delivering best-in-class solutions and supporting manufacturers. By integrating FASTech's expertise and regional insights, Mastercam strengthens its ability to deliver innovative solutions and exceptional service to customers in the region.

"Integrating FASTech into Mastercam reinforces our commitment to providing manufacturers with unmatched support and industry-leading CAD/CAM solutions," said Russ Bukowski, Interim President of Mastercam. "This acquisition allows us to build even closer relationships with customers in the Midwest region of the United States, ensuring their success in an evolving manufacturing landscape."

### Driving Innovation Through Growth

Mastercam's growth strategy combines organic advancements with targeted acquisitions to expand our capabilities and provide industry-leading solutions. As part of Sandvik Manufacturing Solutions' portfolio, Mastercam continues to empower manufacturers globally with advanced solutions, connected processes, and unparalleled support.
